HOUSING

We are a residential campus and all non-married freshman, sophomore, and junior students are required to live on campus with the Resident Board Plan, unless you plan to live at home with your parents. (If you have any housing questions, please call the Student Development Office at 706.419.1107.)

There are no single rooms available for first-time Covenant students, and few four-person rooms. You will probably be housed in a two-person or three-person room. You are welcome to request specific roommates, although the requests must be made by all involved. You may also request a specific residence hall. We try to honor those requests wherever possible.

Rooms and roommates will be assigned in early summer, but we cannot assign you a room until you have paid your $300 enrollment deposit and completed your forms. Once you have been assigned a room, we will get your housing information to you so that you may contact your new roommate(s) and make arrangements for your room.

It is to your advantage to take time to fill out the form carefully, honestly, and thoroughly. Once we have assigned you to a room and roommate, you will receive a letter from Student Development with suggestions of things to bring and some details you may want to know about room sizes, furnishings, etc. For now, you should be aware of the fact that all of our mattresses are “extra long twin” (80” x 35”). All of our residence halls are air-conditioned and most are carpeted (except Andreas Hall and the central sections of Carter Hall, where you can bring your own area rugs or carpet squares).

The following is a brief description of the halls at Covenant. (Covenant also has some student apartments, located south of the main campus. It is not typically an option for new students to live in these apartments.)

CARTER HALL
Since Carter Hall used to be a hotel, each room has its own private bathroom. Closet space is somewhat limited. Two-person rooms average about 10 feet by 14 feet; 4-person rooms are roughly double that (about 20 x 14).

FOUNDERS RESIDENCE HALL
People living in Founders (Belz, Schmidt, and Rayburn Halls) have more closet space than Carter residents. Two-person rooms measure approximately 12 x 12. There are only 11 four-person rooms in this building. There is a sink in each room in Schmidt and Rayburn. Bathrooms are located in the center of each hall and shared by all members of that floor.

MACLELLAN/RYMER HALL
Maclellan/Rymer Hall opened its doors in August 1998. Rooms are about 12 x 12 (two- or three-person occupancy) and are arranged in suites. Most suites are made up of a two-person room with a three-person room. A few are comprised of one two-person and one five-person room. Two rooms share a bathroom and study room. There are showers, but no bathtubs in Maclellan/Rymer Hall.

ANDREAS HALL
Andreas Hall was first opened in August 2007. Rooms are arranged in suites, with a two-person room sharing a bathroom with another two-person room. There is also a sink in each individual room. A kitchenette area and meeting rooms are located on the first floor.

OFF-CAMPUS HOUSING
To qualify for off campus privileges, you must be a senior (90+ credit hours), married, 25+ years old, part-time status or living at home with your parents. If you meet one of these requirements, you may contact the Student Development Office at 706.419.1107 to request permission to move off campus.
