The Purpose of Academic Support Resources

Academic Support Services are available for all Covenant College students to ensure a positive transition for students into a highly rigorous academic environment. These resources exist to enhance students’ understanding of their callings while enrolled at Covenant College.

The specific objectives are to:

- Teach students skills for note taking, reading and testing.
- Complement faculty efforts to help students achieve their potential.
- Enhance the academic abilities of the student body.
- Provide convenient access to academic resources.
- Help students learn to manage their time.

General Academic Counseling/Study Skills Enhancement

For more information, contact Janet Hulsey, Director of Academic Support, at ext. 1262, or e-mail her at hulsey@covenant.edu.

In addition to these programs, students are encouraged to seek help from faculty, upperclassmen, Residence Life staff, and the Student Development office.
